

# BECOME A VIP

## VOLUNTEERS-IN-PARKS

# **VOLUNTEER WITH THE NATIONAL PARK SERVICE AND HELP CARE FOR SPECIAL PLACES**

Volunteers-In-Parks (VIPs) work side-by-side with National Park Service employees and partners in over 400 National Parks from Maine to Hawaii, from Alaska to Florida, in big cities and small towns, even in remote wilderness areas.

As a VIP you will represent the National Park Service, work in unique settings, preserve this country's natural and cultural legacy and help visitors discover the resources, meanings, and values found in your national parks.

Volunteers at Boston National Historical Park and Boston African-American National Historic Site donate their time and a range of skills and services to the park and its visitors. Volunteers perform a variety of valuable functions including: welcoming and orienting visitors to the park, conducting research, leading and assisting with talks, tours and education programs, maintaining and helping to preserve park sites, conducting costumed living history demonstrations, and assisting with park management.
